1. Objective

To facilitate the travel of employees for official purposes and to provide guidelines and establish procedures for employees incurring official travel expenses on behalf of the company.

2. Scope

The procedure outlined in this policy covers all the activities involved in the travel arrangements on approved visits due to official purposes (e.g., Business & Review Meetings, Conferences, Business Generation and Training, etc.)

3. Effective from: 16th August 2025

4. Pay-Out Date

- ❖ All bills should be submitted on Expense Management Application by 2nd of every month.
- ❖ On the 4th of every month, the concerned Reporting Manager (Level 1) will review and approve.
- ❖ The complete travelling data submitted by users for the previous month.
- ❖ The payments would be made by the Accounts and Finance (F&A) team on 12th of every month.
- ❖ Delayed submission of traveling claim will be processed along with next month's reimbursement...
- ❖ If an employee's travel claim submission is delayed by more than 60 days, approval from the COO is required.
- ❖ Upto Branch Managers to submit their bills with approval on 3rd of the month. Same to be shared by Regional Manager with regional accounts team on email.
- ❖ Travel claims will be processed and paid out once a month.

General Guidelines:

- ❖ Employees must comply with the Travel Policy.
- ❖ Reimbursement will be applicable only for accurate original receipts as per the company policy.
- ❖ Reimbursement of expenses must be claimed with necessary approvals on Expense Management Application.
- ❖ The employee's reporting supervisor is responsible for reviewing and approving expenses. Approval is required on all submitted expenses. The supervisor's approval indicates that the expenses incurred are agreed upon and confirms that such expenses are under the policy.
- ❖ The company assumes no such obligation to reimburse employees for expenses that do not comply with the policy.
- ❖ All domestic air travel shall be economy class for employees who are pre-approved for travel by air. Air travel should compulsorily be on lowest fare.
- ❖ All claims will be auditable and strict disciplinary action up to termination will be initiated for violation of any guideline, forgery of any document (refer to disciplinary action policy).
- ❖ An employee on leave during travel will not be eligible for reimbursement / per diem on the day of leave.
- ❖ Employees incurring unauthorized or over the limit expenses in the performance of official duties are not guaranteed reimbursement.
- ❖ Persons who are claiming to submit their claim will be responsible for getting their supervisor's approval within the timeline to get their reimbursement on time.
- ❖ The Dice application does not permit submission of backdated travel claims.
- ❖ Transactions older than two months, if not submitted through vouchers, will automatically be removed from the system and will not be eligible for reimbursement.
- ❖ Any potential deductions will be communicated to the claimant in advance to obtain necessary remarks and explanation.
- ❖ All deductions related to claims will be communicated to the concerned employee through the **DICE application** by raising a ticket. The ticket notification will be shared via **the DICE portal , whatsapp and email (Registered in Dice)**.
- ❖ The employee is required to **respond to the ticket within 24 hours** of receiving the notification.
- ❖ If no response is received within the specified time frame, the **deduction will be considered final**.
- ❖ In case of any **out-of-policy travel claims**, it is **mandatory to provide the remarks**.

Note:

- ❖ Every Divisional Manager and Cluster manager is required to visit atleast two time in all his underlying branches within a month. In case of deviation, traveling would be allowed proportionately and can be withdrawn by the company. Exceptions may be approved by HOD if necessary.
- ❖ Every RM/ARM/SBH is required to cover at least two branches in each cluster within a month. In case of deviation, traveling will be allowed proportionately and can be withdrawn by the company.
- ❖ Every Deputy Business Head (DBH) is required to complete at least 5 Bottom performing branches within their HUB within a month. In case of deviation, traveling will be allowed proportionately and can also be withdrawn by the company.

DBH/BH	ACTUAL BILL
SBH	600
RM/ARM	500
CM/DM	400
Upto BM	300

Non-Operation Team :

Profile	Food Limit (3 meals)
	Budget
CXO and above	ACTUAL BILL
HOD	ACTUAL BILL
Team Leader	500
Executive	300

*Senior leadership is advised to claim legitimate expenses and ensure cost-saving measures wherever possible.

- ❖ Upto SBH (Operation) and upto Team Leader (Non-Operation), employees are allowed to claim their per day food allowance as per their eligibility without the requirement of submitting supporting bills. Submission of bills is not mandatory for such claims.
- ❖ Food claims have been categorized into three segments: Breakfast, Lunch, and Dinner. Users can split their daily food claim eligibility across these three meals accordingly. For example, if a Cluster Manager is eligible to claim Rs.400 per day, they may divide this amount equally across the three meals — ₹133.33 for Breakfast, ₹133.33 for Lunch, and ₹133.33 for Dinner. Claims should be made in line with individual eligibility and as per this defined structure.
- ❖ If an employee travels from their base branch and stays overnight at the destination branch, they are not eligible to claim breakfast on the travel day. They are eligible to claim two meals lunch and dinner as per their designated food claim eligibility.
- ❖ In cases where an employee completes their visit and returns to the base branch, they will not be eligible to claim dinner. However, they may claim two meals breakfast and lunch as per their designated food claim eligibility.
- ❖ If an employee starts their travel from the base branch and returns to the same base branch on the same day, they will be eligible to claim a food allowance of up to ₹100. Applicable for Operations upto State Business Head (SBH) and for Non-Operations staff upto Team Leader.

- ❖ In branches, having mess facility, visitors availing food at the branch mess will not make any direct payment to the branch.
- ❖ If any Visitor has a meal in the branch mess, the branch will be reimbursed ₹80 per meal.
- ❖ Visitors will submit a Rs. 1 entry in the Dice application under the food expense section for every meal which is availed at the mess.
- ❖ The concerned Branch Manager will maintain a manual record (date-wise and meal-wise) of meals availed by visitors. **(As per Annex-1)**

Branch Code	Branch Name	Date of visit	Visitor E-code	Visitor Name	Department	Meals

- ❖ Based on this record , a monthly consolidated data report will be submitted by the branch to the regional accounts team for travelling payment (level-2 approver authority)
- ❖ In case of surprise visit employees do not inform to branch beforehand. Do inform the branch after reaching.
- ❖ If no mess is available, visitor can have food outside. Visitor can claim food expenses in the Dice.
- ❖ Visitor must inform branch in advance about the visit.Branch should make necessary food arrangements via mess (if available).
- ❖ **Branch Manager** will prepare a monthly report of meals availed by visitors at the branch mess and submit it to the **Level-2 (Regional Travel Accounts) Approver**, who will verify this data against the **Dice application** to ensure:
- ❖ Rs. 1 Dice entries are submitted for each meal taken at mess.
- ❖ There is **no duplication** between visitor Dice entries and branch data; if found, clarification must be sought.
- ❖ After verification, the **Accounts Team** will process the **monthly consolidated reimbursement** to branches from **petty cash**, and any **discrepancies** will be flagged and addressed through appropriate **corrective actions**.
- ❖ Meals are reimbursable costs when traveling for official purposes. Meal claims must be reasonable. Receipts must be provided for the meal expense, including tips & applicable taxes.
- ❖ The food bill must clearly mention the mobile number and the name of the shop or restaurant on the bill. This is mandatory for the bill to be considered valid for reimbursement.

❖ Verification Scenarios

S.No.	Scenarios	Action to be Taken
1	Visitor availed food at mess and submitted Rs.1 entry in Dice	✓ Payment will be made to branch after verification
2	Visitor availed food at mess but did not submit entry in Dice	⚠ Branch reimbursement will be on hold until justification provided by traveller
3	Visitor availed food at mess and submitted claim in Dice with Amount	✗ Claim to be rejected. Disciplinary action will be taken
4	Visitor submitted food claim , but mess was not available	✓ Claim allowed as per policy
5	Visitor neither availed mess food nor submitted any claim	✓ No action required

Note: - Reimbursement to branches will be processed strictly on the basis of data submitted for the current month. Any data shared for previous months will not be considered for reimbursement under any circumstances.
